The IDCTA Summer Kickoff and IDCTA Summer Dressage shows are fast approaching on June 23 and 24. These two shows will be held in one weekend and they promise to be great fun. The shows are designated Level Three and will have many qualifying classes. There are lots of ways to participate: As a competitor, there will be three to four judges at the show, allowing you to get scores not only from different shows, but also from different judges. This is a quick way to build the qualifying scores you need for Regionals and IDCTA yearend award qualifications. There will be a competitor’s party on Saturday night, with High Point awards and prizes galore.

As a volunteer at the show, you will be watching great dressage and helping to put the show on, not to mention getting your volunteer hours for yearend awards. You will also receive a gift card to cover your gas to the show.

As a class sponsor, you will hear your name announced with the class that you sponsor and receive advertising space in the program. If you have a banner, it can be displayed on very visible fence space. Sponsor levels are listed on page 4

It was brought to the board’s attention that this year’s choices for In Hand competitions is very limited, so we have modified the yearend awards qualification requirements to allow one IDCTA-sanctioned In Hand score to be counted in the scores submitted. (See the In-Hand section of the Dressage Year-end rules on page 16 - highlighted section) This change will be effective for 2018 only, and will be reevaluated next year once the show calendar is out. There are at least three schooling shows with In Hand classes available.

The IDCTA sponsors and organizes are coordinated by our committees. Fatima Kranz is leading the Dressage Committee, Alison Volpentesta is leading the Eventing Committee, and Cecelia Conway is leading the Schooling Show committee. We always welcome your input to the various committees, and it is a great way to earn volunteer hours for the year end awards, so please volunteer! We are run and governed by volunteers, and we all need to find a way to contribute to make our association the best it can be.

In the next couple of months, we will be distributing a survey of possible club activities to see what you are interested in. When the survey comes out, please be sure to complete yours.

The best to you in this competition year, and Happy Riding!
Class sponsorship for the IDCTA shows on June 23 and 24, 2018

In order to support our dressage shows prizes, we offer the opportunity to sponsor classes. This year we are asking for sponsorship for three shows held in one weekend:

Saturday, June 23, IDCTA Summer Kickoff Dressage Show (USDF/USEF Recognized)

Sunday, June 24, IDCTA Summer Dressage Show (USDF/USEF Recognized)

On Saturday, June 23, the sponsorship will be used for Dressage Dollars vouchers which are awarded to the top three winners of the class. These vouchers can be redeemed by vendors at the show to purchase goods at the show. The vouchers are $25 for 1st place, $15 for second and $10 for 3rd.

On Sunday, June 24, sponsorship(s) will offset the costs of the prizes for each class.

You can specify the class and/or level you would like to sponsor and we will do our best to honor your request.

Class Sponsorship is $50 per class. For your sponsorship, you will receive the following:

- Your name will be listed in the program and listed with the class that you are sponsoring.
- You can place an ad in the program*
  - One class sponsorship ($50) will give you a business card size ad.
  - Two or three class sponsorships ($100-150) will give you a quarter page size ad.
  - Four or Five class sponsorships ($200-250) will give you a half page ad.
  - Six or Seven class sponsorships ($300-350) will give you a ¾ page ad.
  - Eight or nine class sponsorships ($400-450) will give you a full page ad.
  - Ten or more will give you a full page ad on the back of the first page or the back inside or outside page. (more than $500)
- Your business will be announced on the loud speaker when the class(es) occur(s): Announcement can be accompanied by a short comment if one is provided.
- Your banner, if you have one, can be displayed at ring side.

This is a great way to support the shows. Thank you in advance.

Originally from Northeast Illinois, Nita discovered her love for riding across country while foxhunting with the Mill Creek Hunt. Competitive by nature and always hungry to learn, eventing became her discipline of choice. College brought Nita to Lexington, KY, where she bought her OTTB, Alarmabull. In 2016, Nita was awarded the “Worth the Trust Scholarship” through USEA, which jump started her eventing career at the upper levels. Nita and Bully have competed all over the East Coast, winning and consistently in the top placings at the Intermediate level. The pair finished 10th in the USEF National 2* Championship and took home the Mid-Atlantic Thoroughbred Rescue Trophy for being the highest placed Thoroughbred at the prestigious Fair Hill International in 2017.

Nita has experience riding and working with a wide variety of horses, in all stages of training. She spent the 2017 season riding under Tim Bourke, and has also ridden with many top riders including Denny Emerson, Doug Payne, and Buck Davidson.

Learn to Scribe: A Clinic with Jennifer Kotylo

Story & Photos by Cecelia Conway

On March 25th, 20 participants gathered at Fields and Fence's USDF Dressage show to learn about the ins and outs of scribing from Jennifer Kotylo, USDF L Program Graduate with Distinction. Jennifer is an active judge in our area, a dressage trainer and clinician, and a pilates instructor.

To begin the day, Jennifer went over the basics of what is needed to scribe; namely, the scribing toolkit that a show manager should give you when you check in. A good kit should include a whistle or bell, order of go, the judge's copies of the test, blank and/or labeled tests for each rider, black and blue pens, red pens, and a walkie-talkie or some way to communicate with the show office/manager.

Some additional tools that are always good to have on hand are a silenced cell phone with a timer (emphasis on silenced), a light first aid kit with Band-Aids, painkillers, hand sanitizer, tissues, sunscreen, bug spray, breath mints, water, glasses (if you need them), a hat, and a coat and blanket if the weather is looking bad.

Jennifer also emphasized that you should at the very least be on time, but a little early would be even better. It is also expected that you should look neat and tidy; however, you should dress appropriately for the weather.

Once you check in with the show office and get to your assigned box, you should set up the tools that you and the judge will need. Always check your pens before the rides begin for the day to make sure they work, and always use pen when you are scribing.

Once the judge arrives, introduce yourself and get a feel for their personality. Do they like to chat or are they more task-oriented? Always give them the seat that is directly on the center line so that they have the best view of the arena. Finally, double-check to see if the judge likes to give the score or the comments first for each movement during the test.

Before the tests start, double-check your orders of go and compare them to the order of your blank tests to make sure they are correct. If scratches are called over the walkie-talkie, you should cross the ride off on your order of go and pull the test from the pile so that they don't get mixed up with the ones you are using.

If you have time, it is also helpful to familiarize yourself with tests that you have not seen before. This way you will have a general idea of the flow if you or the judge should get lost during the test. If you get lost or think the judge has missed a movement, do not hesitate to speak up right away.

Finally, once you get to First Level tests and above, keep an eye out for "supplementary" scores. Typically these will be for simple changes or transitions within a larger movement.

Once the rides for your ring start, you should double-check the horse's bridle number against your order of go, as well as the tests you are writing on to make sure they all match. As each ride is completed, cross them off your order of go.

continued on page 9
Once the ride starts, the most important thing you will ever write down is the number for the movement. It should always be written with a single decimal after it. For example, if the judge says the score is 7 you should write 7.0 in the box labeled “Points,” not the “Total” box, which will be used by the office if the movement has a coefficient assigned to it.

When you are writing comments, Jennifer repeatedly emphasized that you should abbreviate wherever you can. After writing for three hours your hand will be exhausted, so the more you abbreviate the better. You will be writing all of the movement scores and comments, but most of the time the judge will fill out the scores and comments for the collective movements at the end of each test.

Whenever a new block of the same tests starts, make sure that you hand the judge the new judge's copy of the tests.

Now for the unexpected parts:

It is the judge's responsibility to call “off course” or any other rule infractions that are observed during the test. That being said, if you have any questions, never hesitate to ask the judge for clarification.

If you run into an error during the test, the judge will say “Error” and you should write “ERROR” across the movement in red pen (make sure that it is not in the scores), and the points will be deducted from the end of the test total. If, however, there is a voice error, the judge should say “voice error.” Record it with the comments, and there is a two-point deduction from each movement in which it occurs.

If a horse or rider is eliminated, clearly write “ELIMINATED” across both the tests and the ID label the show office has placed on the test, so that it is obvious to the scorekeepers.

Clinic participants concluded with practice scribing during a block of Training Level Test 3 rides with entries including Jr/Yr, Adult Amateur, and Open riders. Participants were able to experience calls of error, unexpected events in the ring, and hear the tests scored live by Jennifer.

If you are interested in scribing, the following links were also given to participants at the clinic. While experience is not always required, having a basic knowledge always gives you more confidence! Always be honest with show managers/secretaries/volunteer coordinators about your level of experience when volunteering.

IDCTA would like to congratulate the following members who placed in the USDF Region 2 Catherine B Jacobs Year End Schooling Show Awards Program:

**Introductory Level Reserve Champion Jr/YR:** Nori Benck with Brigadier

**Training Level Jr/YR 4th Place:**
**Ellie Dodge with Spikeweiser**

Ellie Dodge is an 11-year-old from Wauconda IL. She's been riding horses since she was 8. Her Papa bought her a couple of lessons for her birthday present. A couple of lessons turned into a couple of years. She first started out riding a little pony named Zeus, but Zeus started to have bad allergies, so her trainer, Mrs. Patti, let her try out Spike. Ellie has been riding Spike ever since and he is very special to her.

Her favorite part about riding is learning the new tests that she gets to perform in the spring, summer, and fall. She wants to work on not pulling on the reins as much so that Spike will bend. She hopes one day she will be able to do that!

In 2017, Ellie was awarded with the Shining Star Award and also won the IDCTA JR/Young Rider for Training Level. Ellie loves to support her teammates, try her best, and most importantly, have fun!

RULES GOVERNING DRESSAGE AWARDS:
(Revised January 2018)

OVERVIEW:
IDCTA shall present Champion and Reserve and third through sixth place awards at the end of each competition year. The awards will be based on the average test score for each rider and horse combination as outlined below. Awards for each level will be based on the following:

- Horse and rider combinations having the best average for the top five (5) rides of those submitted for each level from Introductory through Fourth Level.
- Horse and rider combinations having the best average for the top four (4) rides of those submitted for each of the FEI levels from PSG through Grand Prix.
- Horse and rider combinations having the best average for the top three (3) rides of those submitted for Musical Freestyle at each USDF and FEI recognized level (training through Grand Prix).
- Champion and Reserve and third through sixth place awards will be awarded for Open, Adult Amateur and Junior (Jr)/Young Rider divisions. Final divisions for each level are at the discretion of the Dressage Committee as entries warrant.

Rides will be counted at the level they are ridden (e.g. Training, Second). The rider must select which division they wish to compete in (Jr/Young Rider, Adult Amateur, or Open) as per their USEF classification, e.g. professional rider (Open), Adult Amateur, etc. An Adult Amateur or Jr/Young Rider may compete in more than one division, for example Adult Amateur and Open, if they complete the required number of tests for each division (10 unique tests total for USDF level, 8 unique tests for FEI level, or 6 unique tests for Freestyle). It is the competitor’s responsibility to ensure that they have the required number of rides at each level within the division.

SCORE REPORT FORMS:
IDCTA has a Score Report Form available for use by Open, Adult Amateur, Junior and Life members. The Score Report Form is available on the website, can be printed from the newsletter when published, or requested from the VP of Dressage or any Board Member. One form should be used per level/division and requires a copy of each test clearly indicating the name and location of the show, name of the judge, name of the horse, name of the rider, the date of the show and the judge's signature. Alternatively, a score report from the USDF website can be attached to the form after indicating which rides are selected for USDF/USEF recognized shows.

RULES GOVERNING AWARDS:
Section 1: In order to qualify for any awards, the rider of each horse must be a member in good standing of IDCTA at the time the scores are earned. If the rider would like to count a show score or scores that occurred prior to becoming a member of IDCTA, a $50 late fee in addition to the regular membership fee must be paid in order to count the score(s).

Section 2: It is each rider’s responsibility to report his/her own scores. All mailed Score Report Forms with proof of scores, and a completed Volunteer Hour Form, must be postmarked no later than October 31. If that date falls on a Sunday or mail holiday, award forms must be postmarked by the next day. It is each rider’s responsibility to send a copy of the tests or a score report from USDF attached to IDCTA's Score Report Form to the awards chairperson (listed on the form). If any part of the test or score sheet is illegible or not completed, the score will not be counted. It is the rider’s responsibility to see that the test or score sheet includes the name of the rider, name of the horse, name of the show, date of the show, class number, level, test number, division, score, percentage, and judge’s name and signature.

Section 3: Only shows open to all competitors will be counted.

Section 4:
- For each of the award levels, Introductory through Fourth Level, one must have a minimum of five (5) rides, a minimum of three (3) USDF recognized shows, and a minimum of three (3) different USDF/USEF recognized judges. In the case of two judges for a class, the pair shall be considered one (1) judge (an average of the two scores will be taken). Of the 5 scores submitted for year end awards, one score must be the highest test of the level.
- For each of the FEI award divisions, Prix Saint Georges through Grand Prix, one must have a minimum of four (4) rides, a minimum of two (2) shows, and a minimum of two (2) different USDF/USEF recognized judges. In the case of two judges for a class, the pair shall be considered one (1) judge (an average of the two scores will be taken).
- For each Freestyle level, one must have a minimum of three (3) rides under two (2) different USDF/USEF recognized judges from 2 different USDF recognized show.

Section 5: The show year begins on November 1 (or that weekend) for one year and ends on October 31 (or that weekend) of the following year.

Section 6: All members who wish to be eligible for year end awards must volunteer a minimum of five (5) hours per calendar year at one or more IDCTA-sanctioned shows or activities, or pay a $50 fee in lieu of hours worked. The hours will be recorded by the member and forwarded to the applicable awards chairperson by October 31st of that competition year. To enable members to comply with this requirement, a volunteer hours recording form will be published in the Scribe and made available on the IDCTA website. The Board of Directors shall identify sanctioned shows and activities and make them known to the membership through the Scribe and the website.

Section 7: Journey Award (in place 2006 forward):
A horse and rider combination that has achieved 60% or higher for two of the highest tests from two different judges of each level for First, Second, Third and Fourth levels (or equivalents) will be recognized as an IDCTA USDF Level Journey Award winner.

A horse and rider combination that has achieved 60% or higher for two tests from two different judges for each level PSG, Intermediate 1, Intermediate 2, and Grand Prix levels will be recognized as an IDCTA FEI Level Journey Award winner.

Scores earned during or after the 2000 show year will be accepted with copies of score sheets or a USDF score sheet printout with the scores circled. Scores are earned over multiple years and submitted once all required scores are earned for an award in that submission year. A separate form is available to be downloaded from the website, can be photocopied from the newsletter when published, or continued on next page.
Section 8: In Hand Awards
For In Hand awards, IDCTA shall present Champion and Reserve and third through sixth place awards, at the end of each competition year as entries warrant, in each of the following USDF Categories:

- Colt/Gelding Championship
- Current Year Foal Championship
- Filly Championship
- Mare Championship
- Stallion Championship
- Amateur Handler Champion

The rules that are in effect:

The Association shall present awards in each of the following categories:

  - USEA Novice Level
  - USEA Preliminary Level
  - USEA Intermediate Level

The rider must be a member before the start date of competition(s) for which scores are submitted in order to have these scores count toward awards. This is the responsibility of the rider; the only exception is if a $50 late fee in addition to the regular membership fee is paid. See membership application for renewal rules.

RULES GOVERNING SCHOOLING SHOW AWARDS

Schooling Show participants eligible for IDCTA year end awards are subject to the following rules:

For Dressage Schooling Shows

IDCTA shall present Champion and Reserve and third through sixth place awards at the end of each competition year. The awards will be based on the average test score for each rider and horse combination as outlined below. Award requirements are as follows:

Section 1: In order to qualify for any award, the rider of each horse must be a Regular, Young/Junior Rider, Business, and/or Life* member of the Association. The rider must be a member before the start date of competition(s) for which scores are submitted in order to have these scores count toward awards. This is the responsibility of the rider. If the rider would like to count a show score(s) that occurred prior to becoming a member of IDCTA, a $50 late fee in addition to the regular membership fee must be paid in order to count the score(s).

Section 2: It is each owner or rider’s responsibility to report his/ her own scores. All mailed Score Report forms with proof of scores and a completed Volunteer Hour form must be postmarked no later than October 31. If that date falls on a Sunday or mail holiday, award forms must be postmarked by the next day. It is each owner/rider’s responsibility to send a copy of the tests as proof of participation and score authenticity.

The Score Report form must be sent to the awards chairperson noted on the form. If any part of the test or score sheet is illegible or not completed, then the score will not be counted. It is the rider’s responsibility to see that the test or score sheet includes the name of the rider, name of the horse, name of the show, date of the show, class number, level, test number, division, score, percentage, and judge’s name and signature.

Section 3: Scores Required

For each of the award levels, Green as Grass/Introductory through Second Level, one must have a minimum of four (4) rides, a minimum of three (3) IDCTA-recognized shows, and a minimum of three (3) different USDF/USEF or “L” Graduate recognized judges. Of the 4 scores submitted for year end awards, one score must be the highest test of the level with the exception of Green as Grass/Introductory which can be ridden as walk trot only. The ranking for the entries will be determined once the average score is verified. Placings will be

Section 4: The show year begins on November 1 (or that weekend) of one year and ends on October 31 (or that weekend) of the following year.

Section 5: All members who wish to be eligible for year end awards must volunteer a minimum of five (5) hours per calendar year at one or more IDCTA-sanctioned shows or activities. The hours will be recorded by the member and forwarded to the applicable awards chairperson by October 31st of that competition year. To enable members to comply with this requirement, a volunteer hours recording form will be published in the Scribe and will be made available on the IDCTA website. Alternately, the rider may choose to pay the $50 fee in lieu of volunteer hours. The rider must meet this requirement. The Board of Directors shall identify IDCTA-sanctioned shows and activities.

For Mini Event Training Schooling Shows
IDCTA shall present Champion and Reserve and third through sixth place awards at the end of each competition year. The awards will be based on the average test score for each rider and horse combination as outlined below. Awards of the levels are as following:

Section 1: In order to qualify for any award, the rider of each horse must be a Regular, Young/Junior Rider, Business, and/or Life* member of the Association. The rider must be a member before the start date of competition(s) for which scores are submitted in order to have these scores count toward awards. This is the responsibility of the rider. If the rider would like to count a show score(s) that occurred prior to becoming a member of IDCTA, a $50 late fee will be assessed in order to count the score(s).

Section 2: It is each rider’s responsibility to report his/her own scores. All mailed Score Report forms with proof of scores and a completed Volunteer Hour form must be postmarked no later than October 31. If that date falls on a Sunday or mail holiday, awards must be postmarked by the next day. It is each rider’s responsibility to send a copy of the tests as proof of participation and score authenticity.

The Score Report form must be sent to the awards chairperson noted on the form. If any part of the test or score sheet is illegible or not completed, then the score will not be counted. It is the rider’s responsibility to see that the test or score sheet includes the name of the rider, name of the horse, name of the show, date of the show, class number, level, test number, division, score, percentage, and judge’s name and signature.

Section 3: Scores Required:
For each of the award levels, Starter Novice, Beginner Novice and Novice, the rider/horse combination must have a minimum of three (3) rides and a minimum of three (3) IDCTA-sanctioned schooling shows. The ranking for the entries will be determined once the average finishing score is verified. Placings will be awarded based on the lowest to highest average score submitted.

Section 4: The show year begins on November 1 (or that weekend) of one year and ends on October 31 (or that weekend) of the following year.

Section 5: All members who wish to be eligible for year end awards must volunteer a minimum of five (5) hours per calendar year at one or more IDCTA-sanctioned shows or activities. The hours will be recorded by the member and forwarded to the applicable awards chairperson by October 31st of that competition year. To enable members to comply with this requirement, a volunteer hours recording form will be published in the Scribe and will be made available on the IDCTA website. Alternately, the rider may choose to pay the $50 fee in lieu of volunteer hours. The rider must meet this requirement. The Board of Directors shall identify IDCTA-sanctioned shows and activities.

*Life memberships in IDCTA are no longer available.
IDCTA Grant Program

The IDCTA Board of Directors has updated our Grant Program for our membership. We are very excited about this program and hope that more IDCTA members begin sending in applications for upcoming clinics, whether IDCTA, USEA, USDF or USEF sanctioned.

As always, the funds must be used for tuition only. IDCTA members can qualify every year. To qualify for a grant, clinics must be with trainers farther than 100 miles from the Chicagoland area. The clinics must be produced by IDCTA, USEA, USDF, USEF or must be an approved clinic. In return, IDCTA asks that the recipient of the grant write a detailed article about the clinic for the next issue of the Scribe. The article should be a minimum of one typed page and may include photographs (please provide photographer credit).

Other qualifications are as follows: An applicant must be a member in good standing of IDCTA for a minimum of six months at the time the clinic is to be held. An application and copy of the clinic entry must be submitted a minimum of 60 days prior to the opening date of the clinic. This will allow the Board of Directors enough time to review and vote on the applicant's request at the next board meeting.

One grant per clinic may be awarded. Not every qualified clinic will be awarded a grant. The two main factors that will be considered when awarding grants are the following: IDCTA volunteer hours totaling a minimum of 5 in the past calendar year and each applicant’s past riding experience without regard for number of shows entered or success in the show ring.

The amount funded by IDCTA per clinic is $200-$400, or the cost of the clinic tuition, whichever is less, and will be voted on by the board. The grant funds may only be used for the clinic the applicant anticipates participating in as a rider, and not an auditor. Funds may not be used for stabling, hauling or other associated expenses, other than the cost of the clinic tuition. Grant funding may vary each year depending on the amount available and number of qualified applicants, and will be awarded on a first come, first served basis. Funds not used in a given year will be rolled over to the next year.

In cases where the grant recipient does not participate in the requested clinic or an article is not submitted within a month of participating in the clinic, the funds granted will not be sent out and will be reallocated back. This will allow the money to be used for another applicant.

All grant applicants will be notified of the decision by phone or email after the board has voted. Checks will be mailed to the applicant only after the Scribe article has been received.
