Lilo Fore is owner of Sporthorse America in Santa Rosa, CA, where she has offered as many as six champion stallions at stud. Many national and international awards have been earned by dressage horses from her breeding program. Lilo has her FEI "I" judges license and has judged many CDI-W shows, qualifying international shows and USET Selection Trials. Lilo was involved with the USDF Instructor Certification program from its inception, is an examiner for the program and is Chair of the Instructor/Trainer Council for USDF. She is also an examiner for the USDF Sporthorse breeding program.

Lilo has trained both horses and riders nationally and internationally. She frequently offers dressage symposiums and clinics at her Sonoma County facility as well as conducting clinics throughout the world.

Lilo grew up outside of Dusseldorf, Germany, where, at age 4 she saw her first horse. Lilo says "...from that time on I knew that four legs, a mane and tail would be my life". She is the winner of numerous national and international Horse of the Year awards for California, USDF and USET. She is continuously involved in many educational programs for dressage trainers, teachers and judges throughout the US.

**RIDERS:** To be considered for a ride spot, your completed entry (the entry form can be found on the IDCTA website ([www.IDCTA](http://www.IDCTA))), must include a check for the cost of the clinic (and a current negative coggins, if not participating in the IDCTA show). Riders will be chosen based on level and IDCTA membership. IDCTA members will have priority over non-members. If multiple entries are received for the same level, riders will be chosen through a lottery.

**Rider entries must be received by June 18, 2018.**

Please note that riding in this clinic imposes restrictions for showing under Lilo at USDF and FEI levels. ASTM helmets are required for all riders.

**AUDITORS:** Cost is \$20/day for IDCTA members and \$25/day for non-members, no pre-registration is required.
