President's PERSPECTIVE

By Molly Fine

The IDCTA Virtual Show Series is ongoing and we are now into the third show, with one more left in the series. The first show went very well with 21 competitors, and the second show had 30 participants. Results from the second virtual show are listed on page 6. We are hoping for an even bigger show in April. Why don't you get your barn to put on a competition that can be judged using the virtual shows as the platform? It is a great way of encouraging community within your riders.

- March 14-23, 2025 – Judge: Robin Brueckmann
- April 11-27, 2025 – Judge: Margaret Freeman (USDF) and Janet Mumfort (Western)

Our IDCTA Veterinary Zoom series continues to be popular. On March 12th, Dr. Megan Repking from VetSpine Animal Chiropractic presented "Unlocking Peak Performance: Integrating Veterinary Chiropractic and Acupuncture for Horses." On Wednesday, April 23rd at 7 p.m., our veterinary zoom will feature McPhail Chair Jane M. Manfredi, DVM, MS,PhD, DACVS-LA, DACVSMR (Equine). She will discuss "What's new in horse, rider, and tack research?" You can find information about the April Zoom on the website under Events, and on page 7.

On March 22-23, Equestrian Events presented a clinic with Debbie Rodriguez, sponsored by IDCTA. Grant money was available to any IDCTA member for this clinic. You can find details about the IDCTA Grant Program here: https://idcta.org/about-idcta/grant-program/.

We are also presenting a Musical Freestyle clinic on April 26-27. See page 8 for further details, as well as the IDCTA website.

The new website is great! When you first go to the new website, you will need to reset the password (see the instructions to the right). The website is much improved – see for yourself!

We're not quite done with chilly weather, so keep snug and warm and enjoy our many activities like the Veterinary Zooms, virtual shows and clinics. I hope that your spring is starting out the way you hoped.

IDCTA Musical Freestyle Clinic

April 26-27, 2025

Equestrian Events. 45W017 Welter Rd, Maple Park, IL 60151

This freestyle clinic will prepare horse and rider for all aspects of the freestyle, from how to select the music to how to ride the freestyle. There will be real life examples of what happens when something goes wrong and why you should select music that works for you and your horse. This clinic will also help with how to overcome anxiety and how to make this a fun and rewarding experience.

A freestyle truly shows the connection between the horse and rider, for at its finest that bond is of trust where you work as a team and and leave it all in the arena.

The clinicians, Kristen Becker and Jennifer Triumph, have created many freestyles in collaboration with their clients, and will create one for you.

Riders: Prior to acceptance into the freestyle clinic please submit the following via a YouTube video (private link):

1. Video of a full test at the level of freestyle you are riding. Example: If you plan on First Level, please submit a video of you riding first level, ideally in a show environment.
2. Video of all gaits and all tempos. (Example videos will be available)
3. A list of music types, genres, or any themes you feel would engage you to connect with your horse.
4. Intake meeting with clinic leaders.

Auditors will walk away with a true experience of the ins and outs of riding a freestyle, as well as identifying resources to build a freestyle that works for you and your horse.

Level	Fee
Training Level	$325.00
First Level	$520.00
Second & Third Levels	$585.00
Fourth Level	$650.00

IDCTA Continuing Education Program

Education Recognition Program

Program Charter: The mission of the IDCTA Education Series is to foster a community of equestrians who are as eager to learn and develop their skills, as they are to compete. This program intends to reward riders and unmounted horsemen alike, for their dedication to continuing education, by awarding points to the various educational sessions (mounted and unmounted) offered throughout the calendar year. The submissions can be from any horse related educational activities. Examples could be educational activities at Pony Club Rallies, certification programs and horse behavioral sessions.

All end-of-year eligibility requirements apply, including 5 hours of volunteer time and IDCTA membership at the time of participation. Management reserves the right to review submissions. If you would like to pre-certify the event that you are submitting, please call Ashlee or Molly. (See Below)

ILLINOIS DRESSAGE AND COMBINED TRAINING ASSOCIATION

The Illinois Dressage and Combined Training Association is a non-profit organization that embraces education, self-accomplishment and community in Dressage, Eventing and Combined Training. Through educational events, scheduled competitions and social activities, our organization strives to support both equestrian and non-equestrian members with their personal goals, including understanding theories that enhance horsemanship, gaining skills to improve performance, and pursuing the maximum enjoyment that equestrian sport has to offer.

Therapeutic Riding Volunteers Needed!

As a rider or horse enthusiast, you know the important role riding and being with horses has in your life. Clients at Main Stay Therapeutic Farm feel the same passion for connecting with horses. Main Stay offers therapeutic riding lessons and animal assisted learning programs to a wide variety of people who want to continue to achieve their goals and may need some additional support to be able to do so.

Main Stay offers adaptive/therapeutic riding lessons during the day, evening and weekends, and there is a need for people with horse experience to lead therapy horses during classes. Horse handlers are primarily responsible for the horse during lessons and help ensure the rider's safety by providing the needed level of support during the class. Lessons are either 30 or 45 minutes in length and volunteers must be able to walk for at least an hour on an uneven surface in our indoor and/or outdoor arenas. Weekly volunteer slots are available, or filling in on a substitute basis is also an option with several slots currently available throughout the week. Volunteers are essential to the success of our riders.

Check out our new website, www.mainstayfarm.org, or reach out to our volunteer coordinator, vc@mainstayfarm.org or 815-382-9374 to learn more about the program and the important volunteer roles available at the farm. The best way to learn about the program is to come and observe a session. We would love to meet you and share more information about Main Stay. It's a special place to so many people and animals! The farm is located in Richmond on 40 beautiful acres across from Glacial Park Conservation District. Background checks and training are required for new volunteers.

If you are an IDCTA member, you can get your volunteer hours from an approved Therapeutic Riding Program such as Main Stay. To obtain approval for a therapeutic program, please email Cindy Lambert at cindylambert706@gmail.com or Molly Fine at mollymfine@gmail.com.

WE NEED YOU!

Main Stay is a volunteer-based organization. We operate with a small core staff, and without our dedicated volunteers who choose to make a difference, our program would not exist. For most areas of the program you will not need a special skill or horse experience. You just need the desire to give your time... we can almost guarantee you will receive more than you give!

IDCTA Clinic Affiliation Program

In order to provide education opportunities for our members, we are establishing a program to affiliate with those barns who are giving clinics. We would like to be able work with a few barns like yours on 2 clinics per year.

IDCTA requests that the hosting barn will:

- Reserve 2 ride spots specifically for IDCTA members (if not filled 3 weeks before the clinic start date, these 2 slots can be filled with any rider)
- Provide an auditor discount of $5-10/day to IDCTA members
- Display the IDCTA banner during the clinic

IDCTA will:

- Subsidize the barn with $100 to offset a small portion of the clinic cost
- Provide a rider subsidy of $400 per clinic for riders who are IDCTA members - If there are 4 IDCTA member riders, each rider would receive $100, if more than 4, each rider would receive a portion of the $400 (i.e., if a clinic had 6 riders who were IDCTA members, each would receive $66). Each rider would be limited to 2 subsidy's per year
- Provide an IDCTA member to man the auditor check-in table during the clinic
- Advertise the clinic on IDCTA's face book page and on USDF Region 2's face book page (using the communication form)
- In order for your barn to participate in this clinic affiliation program, your barn must be a business member. This program is limited to 2 clinics per year.

As an IDCTA business member, your barn would receive the following benefits:

- ONE IDCTA Regular, Junior Rider or Young Rider membership including a Group Membership to USDF (go to http://www.usdf.org/join/GMBenefits.pdf for a complete list of GMO benefits)
- $60 of advertising in the IDCTA *Scribe* (good for one membership year, not cumulative)
- An expanded listing in the IDCTA website Service Directory (www.idcta.org/membership/idcta-service-directory)
- A condensed version of your website Service Directory listing in the IDCTA *Scribe* (see current issue for details)
- Links to your website and/or email from both Service Directories, as well as any advertising you run in the *Scribe*
- Event listings on the IDCTA Calendar, both website and *Scribe*
- Email Blasts utilizing the IDCTA email list, a great way to advertise your business.

If you would like to participate in this clinic affiliation program, your barn will be assigned a barn ambassador to ensure that there will be continuity and regular communication between the barn and the IDCTA board. We are excited about the program and are sure that there are benefits for each organization.
