# President's PERSPECTIVE

*By Molly Fine*

The IDCTA Virtual Show Season has begun, and we are now into the second show. The first show went very well with 21 competitors and the results are on page 5 as well as the IDCTA website. We are hoping for bigger shows in February and March. Why don't you get your barn to put on a competition using the virtual shows as the platform? It is a great way of encouraging community within your riders, as well as preparing for the upcoming show season.

- March 14-23, 2025: Judge – Robin Brueckmann
- April 11-27, 2025: Judge – Margaret Freeman (USDF) and Janet Mumfort (Western)

Our February Veterinary Zoom with Dr. Stephanie Miesen presenting "Diseases of the Equine Eye" went very well and will be on the website soon. On March 12th, Dr. Megan Repking from VetSpine Animal Chiropractic will present "Unlocking Peak Performance: Integrating Veterinary Chiropractic and Acupuncture for Horses". You can find them on the website under "Calendar & Events."

We are planning a Musical Freestyle clinic on March 22-23. The details will be out soon, so stay tuned.

The new IDCTA website is great! When you first go into the website, you will need to reset the password. See the instructions on the right. The website is much improved – see for yourself.

Keep snug and warm and enjoy our upcoming activities like the Veterinary Zooms, Virtual Shows and Musical Freestyle clinic. I hope that your year is starting out the way you hoped.

## IDCTA Website Changes Announcement

IDCTA Presents:

# Dr. Megan Repking: Unlocking Peak Performance: Integrating Veterinary Chiropractic and Acupuncture for Horses

## Wednesday, March 12th, 2025 | 7 p.m. CST

**Part of the IDCTA Veterinary Zoom Series**

In this webinar, Dr. Repking will explain how horse owners, riders, and trainers can incorporate veterinary chiropractic and acupuncture into their horses' health care regimen to improve overall health, soundess, and performance.

**Bio:**

Dr. Repking uses a Whole Animal approach in her medicine, incorporating both Eastern and Western techniques. She considers herself a chiropractor first and a sports medicine doctor second.

Dr. Repking has spent years studying the anatomy and movement of horses and is an expert on the spine. She performs regular soundness exams on her patients and has a special interest in ultrasound. She is adamant about using rehab exercises to help restore posture as well as the neuromuscular connection that restores movement. This becomes even more important when healing from injury. Healing through movement is a key component to the successful recovery of equine and canine athletes.

*Photo courtesy of https://vetspine.com/*

In her spare time, Dr. Repking riding and training her own OTTB that she has had for 17 years. She also has a Coonhound and a Pointer who are both obedience trained and have learned agility basics. She has a unique understanding of the animal owner, and often helps find solutions using "out of the box" problem-solving skills. She enjoys working with horses and dogs, even the occasional cal, rabbit, or cow!

# IDCTA Continuing Education Program

## Education Recognition Program

**Program Charter:** The mission of the IDCTA Education Series is to foster a community of equestrians who are as eager to learn and develop their skills, as they are to compete. This program intends to reward riders and unmounted horsemen alike, for their dedication to continuing education, by awarding points to the various educational sessions (mounted and unmounted) offered throughout the calendar year. The submissions can be from any horse related educational activities. Examples could be educational activities at Pony Club Rallies, certification programs and horse behavioral sessions.

** All sessions attended must be documented and recorded in the appropriate form and may be submitted for end-of-year award consideration. The tables below outline the point system and prize tiers. All end-of-year eligibility requirements apply, including 5 hours of volunteer time and IDCTA membership at the time of participation. Management reserves the right to review submissions. If you would like to pre-certify the event that you are submitting, please call Ashlee or Molly. (See Below)

**Point System:**

| Type of Education | IDCTA Hosted | Externally Hosted |
|---|---|---|
| Zoom clinics/ educational series | 3 points | 2 points |
| Unmounted clinic (audit) | 3 points per day attended | 2 points per day attended |
| Mounted Clinic | 6 points per day attended | 5 points per day attended |
| Educational Website Sessions | ------- | 1 point per session |

**Prize Tiers:**

| | |
|---|---|
| Gold Level Learner | 40 points |
| Silver Level Learner | 30 points |
| Bronze Level Learner | 20 points |
| Perpetual Learner | >1 point |

**Process:**

1. Members attend an educational session or series of sessions.
2. Any time after the education event is attended, the member reports the attendance through the link to the website (the pertinent information will be gathered by prompts on the website form). The last day for reporting is 10-31 of the current calendar year. Each program attended should be reported separately.
3. After the last reporting date (i.e., 10-31) the team will download the reports from the form and calculate the scores based on criteria above.
4. Each person reporting scores will be eligible for an award if they meet the criteria.
5. The collection of data will occur from 11-1 to 10- 31. Any educational program attended during this period can be counted and can be submitted at any time.

# Therapeutic Riding Volunteers Needed!

As a rider or horse enthusiast, you know the important role riding and being with horses has in your life. Clients at Main Stay Therapeutic Farm feel the same passion for connecting with horses. Main Stay offers therapeutic riding lessons and animal assisted learning programs to a wide variety of people who want to continue to achieve their goals and may need some additional support to be able to do so.

Main Stay offers adaptive/therapeutic riding lessons during the day, evening and weekends, and there is a need for people with horse experience to lead therapy horses during classes. Horse handlers are primarily responsible for the horse during lessons and help ensure the rider's safety by providing the needed level of support during the class. Lessons are either 30 or 45 minutes in length and volunteers must be able to walk for at least an hour on an uneven surface in our indoor and/or outdoor arenas. Weekly volunteer slots are available, or filling in on a substitute basis is also an option with several slots currently available throughout the week. Volunteers are essential to the success of our riders.

Check out our new website, www.mainstayfarm.org, or reach out to our volunteer coordinator, vc@mainstayfarm.org or 815-382-9374 to learn more about the program and the important volunteer roles available at the farm. The best way to learn about the program is to come and observe a session. We would love to meet you and share more information about Main Stay. It's a special place to so many people and animals! The farm is located in Richmond on 40 beautiful acres across from Glacial Park Conservation District. Background checks and training are required for new volunteers.

If you are an IDCTA member, you can get your volunteer hours from an approved Therapeutic Riding Program such as Main Stay. To obtain approval for a therapeutic program, please email Cindy Lambert at cindylambert706@gmail.com or Molly Fine at mollymfine@gmail.com.

**WE NEED YOU!**

Main Stay is a volunteer-based organization. We operate with a small core staff, and without our dedicated volunteers who choose to make a difference, our program would not exist. For most areas of the program you will not need a special skill or horse experience. You just need the desire to give your time... we can almost guarantee you will receive more than you give!

- Sidewalker
- Groomer*
- Group/Animal Assistant

# IDCTA Clinic Affiliation Program

In order to provide education opportunities for our members, we are establishing a program to affiliate with those barns who are giving clinics. We would like to be able work with a few barns like yours on 2 clinics per year.

### IDCTA requests that the hosting barn will:

- Reserve 2 ride spots specifically for IDCTA members (if not filled 3 weeks before the clinic start date, these 2 slots can be filled with any rider)
- Provide an auditor discount of $5-10/day to IDCTA members
- Display the IDCTA banner during the clinic

### IDCTA will:

- Subsidize the barn with $100 to offset a small portion of the clinic cost
- Provide a rider subsidy of $400 per clinic for riders who are IDCTA members - If there are 4 IDCTA member riders, each rider would receive $100, if more than 4, each rider would receive a portion of the $400 (i.e., if a clinic had 6 riders who were IDCTA members, each would receive $66). Each rider would be limited to 2 subsidy's per year
- Provide an IDCTA member to man the auditor check-in table during the clinic
- Advertise the clinic on IDCTA's face book page and on USDF Region 2's face book page (using the communication form)
- In order for your barn to participate in this clinic affiliation program, your barn must be a business member. This program is limited to 2 clinics per year.

### As an IDCTA business member, your barn would receive the following benefits:

- ONE IDCTA Regular, Junior Rider or Young Rider membership including a Group Membership to USDF (go to http://www.usdf.org/join/GMBenefits.pdf for a complete list of GMO benefits)
- $60 of advertising in the IDCTA *Scribe* (good for one membership year, not cumulative)
- An expanded listing in the IDCTA website Service Directory (www.idcta.org/membership/idcta-service-directory)
- A condensed version of your website Service Directory listing in the IDCTA *Scribe* (see current issue for details)
- Links to your website and/or email from both Service Directories, as well as any advertising you run in the *Scribe*
- Event listings on the IDCTA Calendar, both website and *Scribe*
- Email Blasts utilizing the IDCTA email list, a great way to advertise your business.

If you would like to participate in this clinic affiliation program, your barn will be assigned a barn ambassador to ensure that there will be continuity and regular communication between the barn and the IDCTA board. We are excited about the program and are sure that there are benefits for each organization.
