President's PERSPECTIVE

By Molly Fine

The 2025 IDCTA Summer Dressage Show is in the books, and you will find photos and results starting on page 3. The loose ends are tied up and we are beginning to plan for next year. Each year I have been involved with the show has brought challenges that test our ability to adjust and adapt to new situations. This year was no exception. The usual rain, tornado warnings and other threats from Mother Nature were joined by an electrical transformer outage in the neighborhood lasting about six hours. As we all know, farms like Silverwood are on a well system that requires pumps and electricity to deliver water, so this was a challenge we were not anticipating.

The grid that went out affected the house on the property and the shedrow stalls, but the office and the main barn still had electricity. With the help of Silverwood employees, we figured out where there was electricity and water. Most of the folks on the show grounds did not notice the lack of electricity until the water stopped working, because the PA system power stayed on. Once management assessed where water and electricity were, we began to direct riders and horses to areas where they could still rinse horses as the temperature was in the 90s. Volunteers were stationed to direct horses to faucets that still worked.

We suggested that competitors fill buckets where water was available and we then began to fill the water wagon in case it was needed for an extended electricity outage.

During dinner the power went off completely but thankfully was restored after about an hour. The show proceeded with no other hiccups other than the intense heat. This experience made me think about how bad it could have been, and I thank our lucky stars that we got off so easily, thanks to the input and help of many people. Plans would have changed had the outage been longer.

This was something that had not been included in emergency planning but is now on our radar and will be part of our contingency plans for the future.

We have a great team that helps to put on these shows and we have great competitors who roll with the flow as we work through the bumps in the road. We learn from each of these little adventures and they only serve to make the next show even better, so stay tuned for next year's IDCTA Summer Dressage Show. All in all, there were many smiles and pleasant memories despite the heat.

Planning for the rest of the year is underway, and I will go into that in the next President's Perspective. Be careful in the heat and stay hydrated so that both you and your horse stay as cool as possible. Happy riding!

IDCTA Continuing Education Program

Education Recognition Program

Program Charter: The mission of the IDCTA Education Series is to foster a community of equestrians who are as eager to learn and develop their skills, as they are to compete. This program intends to reward riders and unmounted horsemen alike, for their dedication to continuing education, by awarding points to the various educational sessions (mounted and unmounted) offered throughout the calendar year. The submissions can be from any horse related educational activities. Examples could be educational activities at Pony Club Rallies, certification programs and horse behavioral sessions.

** All sessions attended must be documented and recorded in the appropriate form and may be submitted for end-of-year award consideration. The tables below outline the point system and prize tiers. All end-of-year eligibility requirements apply, including 5 hours of volunteer time and IDCTA membership at the time of participation. Management reserves the right to review submissions. If you would like to pre-certify the event that you are submitting, please call Ashlee or Molly. (See Below)

Point System:

Type of Education	Points for Each Type of Education
Zoom Clinics/Educational Series	1 Hour for Each Hour Attended
Unmounted Clinic (audit)	1 Hour for Each Hour Attended up to 6 Hours
Mounted Clinic (participant)	1 Hour for Each Hour Attended up to 8 Hours
Educational Website Sessions (must be at least 1 hour long)	1 Hour for Each Hour Attended
In-person Educational Programs	1 Hour for Each Hour Attended

Prize Tiers:

Gold Level Learner	40 points
Silver Level Learner	30 points
Bronze Level Learner	20 points
Perpetual Learner	>1 point

Process:

1. Members attend an educational session or series of sessions.
2. Any time after the education event is attended, the member reports the attendance through the link to the website (the pertinent information will be gathered by prompts on the website form). The last day for reporting is 10-31 of the current calendar year. Each program attended should be reported separately.
3. After the last reporting date (i.e., 10-31) the team will download the reports from the form and calculate the scores based on criteria above.
4. Each person reporting scores will be eligible for an award if they meet the criteria.
5. The collection of data will occur from 11-1 to 10- 31. Any educational program attended during this period can be counted and can be submitted at any time.

Therapeutic Riding Volunteers Needed!

As a rider or horse enthusiast, you know the important role riding and being with horses has in your life. Clients at Main Stay Therapeutic Farm feel the same passion for connecting with horses. Main Stay offers therapeutic riding lessons and animal assisted learning programs to a wide variety of people who want to continue to achieve their goals and may need some additional support to be able to do so.

Main Stay offers adaptive/therapeutic riding lessons during the day, evening and weekends, and there is a need for people with horse experience to lead therapy horses during classes. Horse handlers are primarily responsible for the horse during lessons and help ensure the rider's safety by providing the needed level of support during the class. Lessons are either 30 or 45 minutes in length and volunteers must be able to walk for at least an hour on an uneven surface in our indoor and/or outdoor arenas. Weekly volunteer slots are available, or filling in on a substitute basis is also an option with several slots currently available throughout the week. Volunteers are essential to the success of our riders.

Check out our new website, www.mainstayfarm.org, or reach out to our volunteer coordinator, vc@mainstayfarm.org or 815-382-9374 to learn more about the program and the important volunteer roles available at the farm. The best way to learn about the program is to come and observe a session. We would love to meet you and share more information about Main Stay. It's a special place to so many people and animals! The farm is located in Richmond on 40 beautiful acres across from Glacial Park Conservation District. Background checks and training are required for new volunteers.

If you are an IDCTA member, you can get your volunteer hours from an approved Therapeutic Riding Program such as Main Stay. To obtain approval for a therapeutic program, please email Cindy Lambert at cindylambert706@gmail.com or Molly Fine at mollymfine@gmail.com.

WE NEED YOU!

Main Stay is a volunteer-based organization. We operate with a small core staff, and without our dedicated volunteers who choose to make a difference, our program would not exist. IDCTA Clinic Affiliation Program

In order to provide education opportunities for our members, we are establishing a program to affiliate with those barns who are giving clinics. We would like to be able work with a few barns like yours on 2 clinics per year.

IDCTA requests that the hosting barn will:

- Reserve 2 ride spots specifically for IDCTA members (if not filled 3 weeks before the clinic start date, these 2 slots can be filled with any rider)
- Provide an auditor discount of $5-10/day to IDCTA members
- Display the IDCTA banner during the clinic

IDCTA will:

- Subsidize the barn with $100 to offset a small portion of the clinic cost
- Provide a rider subsidy of $400 per clinic for riders who are IDCTA members - If there are 4 IDCTA member riders, each rider would receive $100, if more than 4, each rider would receive a portion of the $400 (i.e., if a clinic had 6 riders who were IDCTA members, each would receive $66). Each rider would be limited to 2 subsidy's per year
- Provide an IDCTA member to man the auditor check-in table during the clinic
- Advertise the clinic on IDCTA's face book page and on USDF Region 2's face book page (using the communication form)
- In order for your barn to participate in this clinic affiliation program, your barn must be a business member. This program is limited to 2 clinics per year.

As an IDCTA business member, your barn would receive the following benefits:

- ONE IDCTA Regular, Junior Rider or Young Rider membership including a Group Membership to USDF (go to http://www.usdf.org/join/GMBenefits.pdf for a complete list of GMO benefits)
- $60 of advertising in the IDCTA *Scribe* (good for one membership year, not cumulative)
- An expanded listing in the IDCTA website Service Directory (www.idcta.org/membership/idcta-service-directory)
- A condensed version of your website Service Directory listing in the IDCTA *Scribe* (see current issue for details)
- Links to your website and/or email from both Service Directories, as well as any advertising you run in the *Scribe*
- Event listings on the IDCTA Calendar, both website and *Scribe*
- Email Blasts utilizing the IDCTA email list, a great way to advertise your business.

If you would like to participate in this clinic affiliation program, your barn will be assigned a barn ambassador to ensure that there will be continuity and regular communication between the barn and the IDCTA board. We are excited about the program and are sure that there are benefits for each organization.
